

Agenda

CLE Presentation – Tyler Lobdell from Animal Legal Defense Fund will give the Section an overview the use of consumer protection laws to advance the interests of animals. ALDF has conducted significant work in this area over the past several years, including pending litigation over use of the term “natural” on meat and poultry products. Mr. Lobdell will discuss the general theory and strategy as well as a few specific examples.

Business

1. Quorum to approve minutes from June meeting?
2. Anything else for good of the order?
