Dear Ms. Reed:

Every August, the Professionalism & Ethics Section of the Idaho State Bar, in partnership with the University of Idaho College of Law and Concordia University School of Law, provides an *Orientation on Professionalism* for incoming first year law students. The program emphasizes the importance of ethics and professionalism at the very outset of a legal education. The goal is to instill that the practice of law remains a high calling and that lawyers have a responsibility of service to both their future profession and to the public good.

The Professionalism and Ethics Section and the law schools share the costs of these events which include air travel, mileage, accommodations, and hospitality for the mentors who participate in these events. This year the Section anticipates adding a third program for the entering class on the Boise campus of the University of Idaho. We expect total program costs this summer to approximate \$15,000.

Historically, other ISB Sections, District Bar Associations, and other professional organizations have generously contributed to help underwrite the costs associated with this program. We are writing to ask your membership to consider donating toward these three orientation programs this year.

This program has become a signature event of the entering student orientation week. Students have reported it as one of the best programs of the orientation week and the participating mentors have enjoyed being part of the program.

We kindly ask that you approach your membership with this request. We are happy to participate in an upcoming meeting to talk about this signature program. Thank you for your consideration.

Sincerely,

Dear Ms. Reed,

I am writing to seek sponsorship from Business & Corporate Law Section for the Idaho Legal History Society's (ILHS) *History in the Making* event.

ILHS is an organization of volunteers who work to collect and preserve Idaho's legal history. Part of this mission includes increasing awareness and interest. This event promotes these goals while providing an opportunity to obtain funding to continue ILHS's mission.

The theme of this year's event is *Women of the Idaho Supreme Court*. Until this year, Idaho lacked a woman on its Supreme Court for nine years, listing Idaho as one of only three states to with an all-male Supreme Court. Though Idahoans now have the privilege of Justice Brody's service, she has become only the third woman to have ever served on the Court in over 100 years. All three are still available to tell their stories today, and it is time to honor their history.

The event, to take place on September 7, 2017, will feature a reception, co-hosted by the National Association of Women Judges, Idaho Chapter, with a CLE panel discussion to follow. Justice Linda Copple Trout, Justice Cathy Silak, and Justice Robyn Brody have all accepted the ILHS's invitation to speak on this panel. Attendees will hear the history of the legal profession in Idaho as seen through the eyes of these three women who ascended to the highest state authority Idaho's legal profession has to offer. We hope it will inform and inspire, as well as encourage interest and support to preserve Idaho's legal history.

We would be honored to include Business & Corporate Law Section as a sponsor for this event. Please see the enclosed sponsorship information form for the additional details and benefits of sponsorship. We are in need of a sponsor to cover the cost of catering, in the amount of \$1,000, but we welcome with great gratitude any contribution.

Please do not hesitate to contact me with any questions about the ILHS or this event. Regan C. Jameson, rjameson@canyonco.org or (208) 863-9793. Thank you in advance for your consideration.

Sincerely,

Regan C. Jameson
