2012 Annual CLE

The Council discussed its upcoming CLE and the Council's desire to encourage attendance by those who otherwise might not be able to attend (given geographic location, financial means, etc.). The Section's CLE committee developed a policy to eliminate fees for CLE attendees who are Section members residing more than 120 miles from Boise, Idaho, current law students, or have practiced law for less than three years. The CLE committee also decided that it was not going to accept sponsorship funds for the 2012 annual CLE, given the Section's current budget excess.

The Council discussed the 2012 ABA Business Leaders Conference in Chicago, Illinois, and approved Betsy Oliphant attending on behalf of the Council and Section.

ISB Annual Meeting

The Council discussed the Idaho State Bar annual meeting to be held in July 2012. The Council will consider providing scholarships to attend the CLE. The Council also determined that it would hold the Section's annual meeting during the Section's 2012 annual CLE, perhaps with the addition of a social event.

Other Business

The Council discussed the current status of its website. The Council also discussed the Section's desire to continue collaborating with the International Law Section on CLE presentations.

The meeting was adjourned at approximately 12:27 PM.
