7. New Business

Agreed to have Bar maintain website-originally went with private contractor because bar did not offer this service.

Judge Gutierrez just received information from Ritchie Eppink announcing a scholarship opportunity and wanted to share the information.

Talked about who is responsible for getting information out to the website; Amy will talk to Mahmood and tell him we want website maintained by Idaho State Bar and then find out how this works and report back to the Section; Also, Kinzo needs to contact the website contractor and cancel the contract.

We need formal thank you notes to be sent to the Law Firms who gave us sponsorship for the CLE.

We discussed the need to make sure our sponsors get their "name in lights" i.e., put on the website as a sponsor of the Diversity Section, see if can put in Advocate.

Mr. Fields provided the names of the individuals who provided sponsorships:

- Walter Sinclair at Stole Reeves
- Jim Martin at Moffat Thomas
- Dulce Seculon at Keely Dulce
- Kelly Cameron at Perkins Coie

Next meeting date: January 25th, 2013 at Noon; and then every other month on the fourth Friday of the month.
