7. New Business

Lori: Can we advertise our CLE from December and do we need some pdf material to go with it?

Add Section to our website CLE produced by Section or Do a “trailer” of the CLE.

Unfortunately we were competing with another CLE audience that would have liked to or been interested in our topic;

Ask Mahmood if can do the CLE as a “replay”

Or, ask the Bar to send an email to those who attended the Immigration CLE that conflicted and could not attend ours that can rent it;

Kinzo: Section support Indian Law on the agenda for the new lawyer training will be on next meetings agenda;

Do we want CLE's at the membership meetings? We did that in the past-do quick half hour CLE.

Judge Gutierrez-must plan for annual meeting at our March meeting and solicit nominations.

8. Adjourn. Lori Moved, Jana 2nd 1:04 p.m.
