IP Law Section Financial Report

- Report was passed around for attendees' viewing pleasure. The budget shows us in the red, but forthcoming adjustments to the ISB administration fee should correct that.
- Engaged in some discussion of whether the section should budget to keep the Law Library copy of Chisum current. No decisions made.

Eastern Vice Chair Position

- Is currently open, looking for volunteers.

Governing Council

- No response to the request to fill these positions.
- If no response by next meeting, will likely amend the bylaws to get rid of this requirement.

University of Idaho College of Law Relations

- The fee for Student Membership in the Section has been waived, but we have not seen an influx of new student members.
- Current members are encouraged to spread the word to see if we can get more student members.
