Federal Bar Association Idaho Chapter Brown BAG CLE: Proportionality Requirement of Rule 26

Discovery can be a miserable slog. Do the 2015 amendments to the Federal Rules promise a shining path through this thicket? Please join **Chief District Judge B. Lynn Winmill** and career staff attorney **Dave Metcalf** for a discussion of the new discovery protocols, while enjoying a light lunch, which is being provided courtesy of Parsons Behle & Latimer. Chief Judge Winmill and Mr. Metcalf will discuss the new definition of the scope of discovery; the importance of applying a proportionality analysis to discovery issues; the impacts of these changes on the duty to preserve evidence; and how they expect to apply the Rule changes. There will be time for Q&A.
