

# LAWYER REFERRAL SERVICE

---

The Bar operates a statewide lawyer referral service to provide attorney referrals to the hundreds of callers each month seeking assistance with their legal issue.

The Lawyer Referral Service (LRS) is designed to assist persons who are able to pay attorney fees but whose ability to locate appropriate legal representation may be limited by a lack of experience with the legal system, a lack of information about the type of service needed, or a fear of the potential costs of seeing a lawyer. The LRS provides the client with a referral to an attorney who has experience in the area of law appropriate to the client's needs. To participate as an LRS member, attorneys register annually and are provided with pre-screened client referrals.
