## Additional Training to Help Attorneys Hone Their e-Filing Skills

Electronic filing for civil and criminal cases has been mandatory in Ada County since the beginning of October. So far, more than 19,100 cases have been filed electronically in the county and that number continues to increase every day.

The Idaho Supreme Court is hosting an extended training to give attorneys an opportunity to ask specific questions regarding e-Filing and refresh on the system basics.

The training will be held on Friday, October 28 from noon to 1:30 p.m. in the Lincoln Room in the basement of the Idaho Supreme Court. Attorneys who attend are eligible to receive 1.5 CLE credits. [Free online e-filing](#) is available through Tyler Technologies, the Idaho Supreme Court’s technology partner for the iCourt project.

If you have questions on e-Filing prior to the training, please visit the [frequently asked questions page](#).
