

## EFFECTIVE JULY 1, 2015 – CASEMAKER’S PREMIUM SERVICES ARE FREE

The Idaho State Bar is proud to announce the addition of Casemaker’s suite of premium services at no additional cost to our members (*a value of \$450 per year*). Now you have access to not only Casemaker’s broad and comprehensive libraries which cover all 50 states and Federal level materials, but you also have access to a suite of tools that make research faster and easier. These premium services include **Casecheck+**, **CiteCheck** and **CasemakerDigest**.

**Casecheck+** works like Shephard’s® and KeyCite® to notify you instantly of negative treatment, identifying whether your case law citations are still good law. Casecheck+ returns both positive and negative treatments instantly as you research. It also links to negative treatments so you can quickly review the citation history for both state and federal cases. It works seamlessly inside the new Casemaker and doesn’t require any extra steps for use.

Members also have access to **CiteCheck**, which analyzes every citation in your brief (or your opponent’s) and provides you with a report of good law, negative treatments and potential citation format errors. In just moments, you have this critical information.

**CasemakerDigest** allows members to receive daily summaries of the latest state and federal appellate decisions (within 12-24 hours of publication) classified by practice area. Choose one area, a few or all, and get exactly the information you need when you need it.

To learn more about Casemaker and the tools available to you as an Idaho State Bar member, call Casemaker customer support at (877) 659-0801, Monday – Friday, 6:00 a.m. – 6 p.m. (MT).
