November 19, 2015

Announcement of Electronic Filing Training Dates in Twin Falls County

At the beginning of the year, all attorneys filing documents with courts in Twin Falls County will be required to do so electronically. Mandatory e-filing starts on January 11, 2016.

To help attorneys prepare for the transition to an electronic filing system, the **Idaho Supreme Court is hosting several in-person trainings** to walk people through the process and answer questions. Trainings will take place on **January 7 and 8** at the Twin Falls County West Building, 630 Addison Ave. W., first floor, conference room B. Trainings will be held at 10:30 a.m., 12:30 p.m. and 2:30 p.m. on January 7 and again at 10:30 a.m. and 12:30 p.m. on January 8. Each training session will last approximately an hour and a half.

If you are unable to make it to any of these trainings, there are free online e-filing seminars offered through Tyler Technologies. If you would like to register for an online training session, [click here](#).

Attorneys can currently e-file in Twin Falls County on a volunteer basis. E-filing can be done any time of day, from any location and will significantly decrease the amount of time it takes you and your colleagues to file with the court and serve other parties. The transition will allow for improved information delivery and help increase Idahoan's access to fair and efficient justice.

As the Idaho courts continue to deploy the new court case management system, e-filing will be implemented in every county and over the next couple of years will become mandatory across the State.

Anyone with questions regarding e-filing should visit <http://icourt.idaho.gov/efileoverview>.
