Free legal clinics are a great service to pro se litigants and those deciding whether they need to hire an attorney. Legal clinics are hosted in the Treasure Valley specifically for Veterans, Seniors, and through the Court Assistance Offices. Not unexpectedly, many questions involving family law arise at the legal clinics. This CLE will provide information to non-family law attorneys on the most frequently asked family law topics, so that you can competently assist clinic participants in this area. Join Kerry Michaelson, Captain Stephen Stokes, the Hon. Randy Kline, and Yecora Daniels from the Court Assistance Office, and the Idaho Volunteer Lawyers Program to review the general legal needs of those attending the legal clinics held in the 3rd Judicial District. Participants will also gain an understanding of the impact of the volunteer attorneys on clients and the Courts through the implementation of the clinic service delivery model.
