**Re: Love the Law! Contribution Request**

Dear Business & Corporate Law Section Chair Reed,

The Diversity Section is hoping to enlist the Business & Corporate Law Section's support in helping sponsor its *Love the Law!* pipeline outreach program for 2016. Any financial contribution that your section can make would be greatly appreciated.

*Love the Law!* seeks to develop and maintain a pipeline program that exposes Idaho high school, college, and university students from diverse, minority, and low-income backgrounds and other underrepresented populations to the legal profession and encourages those students to consider pursuing a career in law. In order to achieve our mission, *Love the Law!* organizes several events each school year that focus on different aspects of the law. These events provide students with opportunities to learn about the benefits of a legal education and to interact with attorneys, judges, law students, and others involved in the judicial system.

In 2015, *Love the Law!* also awarded four scholarships to Idaho students to help offset the costs of taking the LSAT and applying for law school. The number and amount of the scholarships we award this year will be directly dependent on the success of our fundraising efforts. We are hoping to offer several \$1,000 scholarships to help alleviate financial barriers to higher education for underrepresented populations.

If the Business & Corporate Law Section is able to contribute to *Love the Law!*, it will be recognized as a program sponsor in all of our advertising material for 2016/2017. Contributions in any amount may be sent to the **Diversity Section, c/o Idaho State Bar, P.O. Box 895, Boise, Idaho 83701**. Please specify the donation is for the **Love the Law!** program. If you have any questions or would like additional information, please contact me at (208) 577-4911 or [luarez@adaweb.net](mailto:luarez@adaweb.net).

Sincerely,
