I. Welcome and Call to Order

II. CLE – Erin Walker, Clio, will be presenting a ½ hour CLE entitled: "Incorporating AI into your Legal Practice."

- **Notes from CLE:**
    - **Clio produces annual legal trends report. In their most recent survey, 68% of legal professionals want to learn more about AI. 21% believe AI can enhance the quality of services.**
    - **Generative AI could automate almost half of all legal tasks – as reported by Goldman Sachs.**
    - **Legal clients want transparency in the use of AI.**
        - **Clients want to know if lawyers are using AI.**
    - **What can AI be used for (MODES):**
        - **Manipulating – texts, tables, images, etc.**
        - **Optimizing – Website, content**
        - **Drafting – speech, website copy, social media posts, books**
        - **Explaining – new concepts or theories, gain understanding**
        - **Summarizing – long form articles, reports, website analysis**
    - **Ethical considerations in AI Adoption:**
        - **Bias and fairness – ensuring AI systems do not perpetuate or amplify existing societal biases;**
        - **Transparency and Accountability – AI decision-making processes must be transparent and explainable to allow for proper oversight and responsibility;**
        - **Privacy and data protection – safeguarding client data and upholding privacy standards are essential when integrating AI into legal workflow.**
    - **Assessing AI Tools:**
        - **Evaluate Needs – be specific about the problem you want to solve with AI.**

- - - **Researching solutions – compare features, security, pricing and integration capabilities.**
  - - **Pilot and assess: determine its effectiveness with a clear set of metrics.**
  - o **Clio.com/ltr – find the Clio report here.**
