

2023 Business and Corporate Law Section Annual Conference Sponsorship Opportunities

The Idaho State Bar Business and Corporate Law Section is excited to host its annual meeting and CLE at the Limelight Hotel in Ketchum on April 20 and 21st. We expect the conference to have approximately 100 participants from around the state of Idaho. We expect this year to be our best CLE yet, as we will be bringing in nationally known speakers from around the country to teach, including **Alan J. Berkeley**, **Robert B. Robbins** and **Drew Barton**, along with hosting multiple networking opportunities.

We will be holding a reception on Thursday night and, if there is enough interest, also on Wednesday night for our attendees to get to know each other and our amazing sponsors!
