5. CLE Today: *Marisa Crecelius and Christina Mott Hesse of Gjording Fouser, PLLC will be presenting a .5 credit CLE titled **TMI – Considerations for choosing an E-Discovery Platform When Too Much Information Overwhelms your Production Plans** at this meeting.*

Presenter Biographies:

Marisa Crecelius -- Marisa defends clients in bad faith, complex business litigation, and employment cases. She is a former law clerk in three Idaho courts – Idaho Court of Appeals, Fifth District Court in Minidoka County and the Snake River Basin Water Rights Adjudication. She also has experience representing clients in the areas of personal injury, governmental liability, civil rights, premises liability, aviation liability, trucking liability, general negligence, and wrongful death. She has represented clients in courts throughout Idaho, as well as the Idaho Supreme Court and the Ninth Circuit Court of Appeals.

Christina Mott Hesse -- Christina represents hospitals, professionals, and employers involved in litigation ranging from medical malpractice to professional malpractice to employment. She is also the author of the Idaho Medical Malpractice Defense blog where she discusses medical malpractice law, trending issues, and recent litigation, from the defense perspective. Christina has extensive experience in complex civil litigation and administrative law, along with a judicial clerkship that involved all phases of both civil and criminal litigation.

6. Best wishes for the holiday season and see you in January 2020!
