4. Upcoming Matters (Royer) Elections/Section Leadership
5. Brief announcements (all)
6. **CLE Presentation (Lopez to Introduce)**: Reporting on Environmental and Natural Resource Issues

Presenter: Ashley Ahearn

Ashley Ahearn is an award-winning public media journalist who has covered science and the environment for NPR and member stations for more than a decade. Most recently, she created, hosted and produced *terrestrial* in partnership with the NPR Story Lab and KUOW in Seattle. *Terrestrial* is a national podcast that explores the personal choices we make in a climate-changed world. Ashley’s stories have appeared on Marketplace, All Things Considered, Here and Now, The World and other NPR shows. She has a masters in science journalism from the Annenberg School at the University of Southern California and has completed reporting fellowships at the Knight Center at MIT, the Vermont Law School, the Metcalf Institute at the University of Rhode Island and the Institutes for Journalism and Natural Resources. In her spare time Ashley rides motorcycles and horses or plays outside with her husband and Labradoodle.
