

Idaho State Bar  
Environment and Natural Resources Section

Meeting Minutes  
Meeting held via Zoom  
March 31, 2021

1. Introductions and Welcome. Talasi Brooks began the meeting.
2. Feb. 24, 2021 Meeting Minutes. The members in attendance voted to approve the Feb. 24, 2021 Meeting Minutes.
3. Changing Lunchtime CLE credits from .5 to .75. Talasi Brooks explained that she checked with the State Bar on this. She reported that the Section can change its credits for meetings to .75 to reflect the amount of time the CLEs actually covered during these remote meetings and help the presenters prepare better. She said that when the Section again goes in person, we can let the State Bar know whether we want to continue with the .75 credits. Several people commented in support. No vote was taken; Talasi said that she planned to do this going forward and it could be changed or voted on in the future if necessary. No comments opposing this change were made.
4. Brief announcements. Marie Kellner announced that Idaho Environmental Forum (IEF) was holding their first hour long presentation in a year on Friday, April 2 at noon. More information can be found on IEF's website.
5. CLE. Rob Tiedemann, PhD, presented a .5-hour CLE titled *Nutrient Trading: Growing Product in a Fledgling Market*.
