**Content:**

- Welcome
- Buffet lunch and meet and greet with PTO speakers:
  - Molly Kocialski, Director of the Rocky Mountain Regional United States Patent and Trademark Office
  - David Le, Acting Outreach Officer for the United States Patent and Trademark Office
  - Chris Johnson, Outreach Advisor and Examiner in semiconductor arts for the United States Patent and Trademark Office
- CLE by Director Molly Kocialski: *The PTO Today: Select topics on US Patent and Trademark Office programs and guidelines.*
- Explanation of the Peep program and past recipient recognition. Chris Johnson presented an overview of the program and his experience with it as a PEEP participant, Prof. Ann Marie Bridy explained that the funds for attendance of the PEEP program were donated by the IP section and then allotted to Colin when he was able to attend. She also thanked the section for their support.

Colin spoke about his experience and the varied experiences that he had. David Le of the PTO then provided a brief explanation of the programs currently available to students and provided some brochures on the topic.

- Review of Previous Business
  - Approved meeting minutes from August meeting
  - Treasurer's Report not delivered; Kammie provided summary that according to the treasurer, our budget was fine and we did not expect having excess fees by the close of this fiscal year.
  - We did not take a vote of the Action Item included on the agenda (IP Certification Program), but rather discussed proposed changes outlined by Elizabeth. We will post a red-lined version of the sponsorship announcement on the website for section review and we will debate and potentially vote on the changes in December.
  - The internal committee for grant of the sponsorship for this year has reached a decision as to who will receive it. That announcement will be made to the recipients soon via email by the committee (Elizabeth will email them).
- Announcements
  - PTO will be here for the China Road Show in December on the 14<sup>th</sup> on Boise State campus. The IP section will sponsor the lunch for that event.
- Good of the Order
  - IP scholarships for 2019 will be discussed in the upcoming meetings and an announcement for them will be posted in 2019.
  - We are likely sponsoring an issue of the advocate this year, so members were invited to contact Kammie if they are interested in publishing.
  - We welcomed our new members who recently enrolled in the IP section after being admitted to the ISB.
- Adjourn
