Good Morning Section Chairs,

The University of Idaho College of Law and the Idaho State Bar will be hosting the first ever Section Fair at the law schools in both Boise and Moscow. We are hoping to get the law students more involved in the sections which we believe will benefit both the students and the Sections when the students are admitted to the Bar. We believe that this will also assist the recruiting process for summer associates and post-graduation. We will also be inviting some other law-related membership organization to join the fair!

Attendance

We will have tables set up and two sections will each share one table. We will have signs and information on joining each of the sections including the cost. We would love it if the sections could send at least one member to each of the locations to chat with the students and answer any questions that they may have. Information on each date is below. It is probably easiest to have a section member from each of the districts where the schools are located to man the booth on behalf of the section. If someone needs to travel, mileage can be reimbursed by the section. If you need a list of your section members, please let me know.

Door Prizes

We would also like to make the fair a little fun and give away some door prizes to the students. We will have a punch card that students will need to have signed from at least 10 booths to be eligible for the prizes. We have 23 practice sections, so this seems like a good number to allow them to engage with the members and learn about the specialties of each section. Information on how each section would like to participate is included on the RSVP form. As for specific door prizes, it is probably easiest if I purchase the door prizes for each of the sections to cut down on reimbursement requests. However, if you or one of your members wants to take on that task, please just indicate that in the form too. We will need all door prizes in hand here at the ISB by **Friday, November 3rd**.

RSVP

Please [use this RSVP](#) to let us know who will be attending by **October 20th** so that we can make sure we have all of the details set.
