June 4, 2020**

**Call to Order:**

A meeting of the Health Law Section of the Idaho State Bar was called to order by Section Chair Wendy Olson at 12:05 p.m. via Zoom video and teleconference on Thursday, June 4, 2020.

**General Business:**

Ms. Olson addressed the following matters of Section business:

- Roll Call: Participant names and videos were available via Zoom video conference.
- Minutes: The Section did not meet in April; February minutes will be presented at the August meeting with June minutes.
- Financial Report: Secretary/Treasurer Brent Wilson reported on Section's finances based on the Idaho State Bar's Health Law Section Financial Statement as of March 31, 2020.
- Section Revenue Generation and Fall CLE: Ms. Olson discussed the methods by which ISB practice sections typically generate revenue, including section membership dues, developing and selling form books, handbooks, and similar materials, and Section sponsored CLEs. Ms. Olson announced the Section is in the process of planning a Section sponsored CLE for fall 2020 on the topic of Health Law Practice in the COVID-19 Pandemic, which is a timely topic and especially in light of increased activity for health law practitioners in Idaho. Ms. Olson stated the Section is looking for presenters state-wide from private practice, the health care services sector, nonprofit, and government. Ms. Olson invited Section members to contact her directly with ideas for topics and presenters.

**CLE:**

Lisa Carlson, attorney at Holland & Hart's Boise office, presented on Health Law Updates from Idaho's 2020 Legislative Session. A link to Ms. Carlson's presentation materials are available on the Section's page on the Idaho State Bar website.

**Adjourn:**

There being no further business, Ms. Olson invited Section members to contact her if they would like to present a CLE at a future Section meeting and adjourned the meeting at 1:00 p.m.
