March 23, 2016

Announcements from the Bar: Dylan Lawrence alerted the group that the Bar's database has on a couple of rare occasions failed to provide e-mail notices to members of other sections, in connection with updating their database with new licensing information. This year the section's membership went down slightly, from 117 to 115 members.

Approval of Minutes: The section approved the February 24, 2016 meeting minutes. (Bob Maynard motion; Kelsey Nunez second; passed unanimously.)

Financial Report: The section's financial documents were circulated to the membership prior to the meeting.

Advocate Articles: Dylan reminded the Advocate authors of the upcoming April 13 submission deadline.

Annual Bar Meeting: Dylan reported that the section submitted a proposal for a "hot topics" CLE at the Bar's annual convention, which was approved. The section's slot is on July 14, from 10:15 am - 11:45 am. The final slate of speakers is due April 1. Dylan asked for volunteers to assist in lining up speakers.

Monthly CLE: Joe Frick of Tolliver Law presented a CLE regarding an introduction to mining law.
