ADVOCATE ARTICLES – JUNE/JULY 2018 - UPDATE

Kim Leeder Reed Director of Library Services College of Western Idaho Library  
We are interested in purchasing copies to make available to students, faculty, and staff at the College of Western Idaho. Given that these publications are only for sale in electronic format, I asked Lindsay about copyright restrictions on sharing the electronic files and/or printed copies of these publications, and she was uncertain about the details. Can you provide more information about how we may use these publications in a library setting? Ideally we would like to print the files to provide in book format in our physical collection and/or add the electronic files to our website
