**1. Update from committee studying Rule 8.4(g)**

Email Jodi or other members of the committee with any suggestions regarding the Rule.

**2. Annual meeting CLE**

It was determined that a CLE on Rule 8.4(g) would be premature at the time of the annual meeting. Instead Bob Aldridge volunteered to present a CLE on ethics in dealing with clients with developmental disabilities. We are waiting to hear whether the proposal is accepted.

We also discussed the possibility of having a golfing for ethics CLE and/or Ethical Happy hour at the annual meeting.

We have reserved a date with ISB. Please submit your ideas for topics or speakers to Jodi.
